

AUTODESK MULTI-YEAR DISCOUNT PROMOTION TERMS AND CONDITIONS

Frequently asked questions (FAQ)

Customers can save up to 10% when subscribing to a 3-year subscription of their favorite Autodesk products—including industry collections, AutoCAD®, Revit®, Civil 3D, Inventor®Professional, 3ds Max®, and more.

General information

1. What is the Autodesk FY19 Q4 Global Field Promotion (GFP)?

Customers can save up to **10% off** a new 3-year subscription or 3-year subscription that is up for renewal, per standard renewal policies.

Refer to the "[Appendix](#)" for a list of eligible products

Note: Customers are eligible to renew 90 days prior to expiration. Most customers with 3-year renewals expiring in FY20 Q1 will also be eligible for the renewal discount at some time during the promotion. For example, a customer with a 3-year subscription expiring on March 15, 2019 will be eligible to renew on Dec 15, 2018 and therefore receive the discount if they renew prior to the promotion end date.

2. What is the promotional period?

The offer is available from November 7, 2018 through January 25, 2019 (dates inclusive).

3. What countries are eligible to participate?

The offer is available in the United States, Canada and Latin America.

4. Are the discounts available for maintenance plan renewals, new Maintenance to Subscription (M2S) switches, or existing Maintenance to Subscription renewals?

No. The offers are for new subscriptions and 3-year renewal subscriptions only.

5. Is the discount available on all term lengths?

No. The discount is available on 3-year subscription terms only.

6. Are the discounts available for both single-user and multi-user subscriptions?

Yes. The offers apply to both single-user and multi-user subscriptions.

7. If the customer is adding to an existing subscription, do they qualify for the full discount %?

Yes. The promotion offers the full discount percentage and will be pro-rated when the customer adds a new 3-year subscription to an existing 3-year subscription contract.

8. Can the offers be combined with any other offers?

No. The offer may not be combined with any other discounts, promotions, or other incentives offered by Autodesk unless specified.
